MESSAGE FROM THE OFFICE DESK: PRINCIPAL

Greetings Amazing Community!

“Do not be anxious about anything. But in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your mind in Christ Jesus. “Philippians” 4:6-7

We are heading for the final stretch of 2021. This will be packed with activities in order to accomplish our targeted goals.

With the assistance of our highly committed staff and parents our performance outcomes will be excellent.

This Amazing Chronicles is a snapshot of the highlights and memorable events of the month of July 2021. I hope it will remind you of good times with friends, new people you met, our diverse cultures, sports, this period of learning and striving to be better in all that you do.

The CORONAVIRUS Pandemic has taught us to adjust to the circumstances. This proves how adaptable we can be when faced with barriers and challenges! We have learned what it is to be locked down, locked out, bubbled, hand sanitized, isolated, socially distanced, masked, traced and tested. We found ways to unite and work together with technology and creativity. We were able to maintain our sense of community in the same vein. Learners found ways in which to connect, have fun, be supportive, while continuing to access education. Thus, how we respond to life’s challenges: make us stronger and builds our confidence.

Despite everything, we must admit that we had a successful time. To those who have, directly or indirectly enriched the lives of our students; the teaching and support staff, our parents, I extend my sincere gratitude and best wishes.

To our learners - let us grab every opportunity now to enrich ourselves intellectually. The school offers various opportunities in order to enrich our learners in all facets of life. Grab the opportunities because an opportunity out of reach is gone forever.

Let us remain disciplined, let us plan well and stay focused. Seek wisdom before wealth, knowledge is power and a good long term investment in life. Believe in yourself, be passionate about what you do and how you do it!

In a nutshell, be grateful and thank God, His grace is sufficient for you! My best wishes accompany you on the short journey to the end of the year!

I am honoured to serve as Principal of AKPS and A!

Lorraine Hartung
